## KL Hospital: Can't wait to see what's in store

I AM excited to hear that Kuala Lumpur Hospital (KLH) has been allocated funds to upgrade its facilities. I hope KLH will build multi-storey car parks to resolve the parking woes.

For patients and visitors alike, parking is a major hassle.

Even if you are not seriously ill, you may be by the time you reach your destination because of the distance you need to walk from the parking lot to the clinics or wards.

The roads also need to be reconfigured to separate emergency traffic from day-to-day traffic.

KLH should not waste its resources on building five-storey buildings because it is sitting on prime land. Many nooks and corners do not seem to serve any purpose.

Its doctors and nurses are unsung heroes who are doing their best in difficult conditions. Build a hospital that takes care of the comfort and well-being of everyone.

I can't wait to see what is in store for KLH.
